

Federal Deposit Insurance Corporation

§ 362.2

DPC as soon as possible consistent with obtaining a reasonable return.

(c) A subsidiary of an insured state bank may not engage in real estate investment activities that are not permissible for a subsidiary of a national bank unless the bank does so through a subsidiary of which the bank is a majority owner, is in compliance with applicable capital standards, and the FDIC has determined that the activity poses no significant risk to the appropriate deposit insurance fund. This subpart provides standards for majority-owned subsidiaries of insured state banks engaging in real estate investment activities that are not permissible for a subsidiary of a national bank.

(d) The FDIC intends to allow insured State banks and their subsidiaries to undertake only safe and sound activities and investments that do not present significant risks to the Deposit Insurance Fund and that are consistent with the purposes of Federal deposit insurance and other applicable law. This subpart does not authorize any insured State bank to make investments or to conduct activities that are not authorized or that are prohibited by either State or Federal law.
